RECENT MOMENTS

Year 6 and the Time Travellers

Before half term on Tuesday 11th October **Time Travellers** of Exeter Museum came to Year 6. We travelled back in time with Warden Tom, who showed us what life was like for children during WW2. We learned about rationing and evacuation, shelters and air raid sirens, gas masks and so much more. We saw how important it was for everyone to do their bit to help win the war. We were able to try clothes on and dress up as an evacuee or warden and try on gas masks. We experienced using Morse Code and held an assembly to the school. We learned so much and had lots of fun!

RECENT SCIENCE MOMENTS

Sidmouth Science Festival 2016

All of the children, from pre-school to Year 6, took part in this year's Sidmouth Science Festival that ran from Friday 7th to Sunday 16th October. The children produced fantastic artwork related to the topic of 'Dinosaurs'. Their hexagon artwork was on display at Kennaway House in Sidmouth.

RECENT RIVER MOMENTS

On Wednesday 12th October Year 6 went down to the River Otter with rangers from East Devon District Council to take part in an afternoon of bug hunting and kick sampling. We were blessed with fantastic weather and lively and engaged children. The rangers were very informative and introduced the children to different methods of catching and classifying bugs and of course, their safe release back into their habitats. We played minibeast bingo and a lovely afternoon was had by all!

RECENT GOLDEN MOMENTS

Before half term Year 2 went down to Brixham to visit the Golden Hind as part of their class project work. They also visited the Brixham lifeboat.
