Half Term Week

February 22nd

Year 1 Cake Sale

March 29th

End of term

JANUARY 19 2018

NEWS

I hope you are enjoying the new look Newsletter. This week will have details of those children who got **celebration assembly certificates**, along with those children who got our new behaviour certificates, recognising those children whose show good behaviour and manners.

Some staff news, I am sad to announce that after nine and half years spent teaching and inspiring children at Newton Poppleford, Mrs Hosken will be leaving us as she returns to her home county of Cornwall. I am sure you will join me in wishing her the best for the future for her and her family.

Look forward to some more 'WOW' moments next week!

Reception Class Children have been sent home with a letter concerning vision screening that will take place on March 5, 2018. If any parents wish to opt out of the screening, please will they fill in the slip provided on the letter and return it to school as soon as possible.

CAN YOU HELP?

SCIENCE, TECHNOLOGY, ENGINEERING & MATHS

Bob Tubbs writes:

From the 4th of June until the 8th of June 2018 we are hoping to hold events during the school day on the topics of Science, Technology, Engineering and Maths ("STEM"). We have some volunteers already, but if there are any parents or other adults with a relevant university degree or similar experience willing to help with STEM activities in school (with staff support) that week then please get in touch with me (bob.tubbs@gmail.com). Thank you in advance for your support. STEM week is supported by the Maths, Science and ICT Curriculum Team in the school.

Our website www.newton-poppleford.devon.sch.uk continues to be regularly updated with information, news and photos.
