## NEWS

Welcome to the new look school newsletter, which is part of some changes we are making to school communications. The newsletter will now be weekly, shorter and all other electronic mail from the school will be sent out on Fridays only (other than in an emergency)

It has been an interesting and very busy start to term. My apologies for having to close the school (a decision which is never taken lightly), but this was unavoidable on health and safety grounds. Neither this closure nor the one last term have been anything to do with the new build. Rather they are more connected to the reason why we need a new school and that the current building isn't fit for purpose.

Some parents will have seen the article last term about the school's kitchen rating. I am pleased to report that following the inspectors visit this week, the kitchen is once again rated 4.

I hope you enjoy the wow moments, which will be a fortnightly feature on the new newsletter – during the next 2 terms, every child will be sharing their 'wow' moment.

**Gentle reminder**—It has been a long standing practice that during morning break only fruit can be eaten. All KS1 children still receive their daily free fruit and Year 6 sell fruit to KS2 children.

Our website [www.newton-poppleford.devon.sch.uk](http://www.newton-poppleford.devon.sch.uk) continues to be regularly updated with information, news and photos.
