Our **Twilight Club** operates as a self-funding, non-profit making facility. Breakfast and twilight clubs are an extended service of the school and as such charges are set only to cover our costs. The slight increase in the basic charge for 1 child still offers excellent value for money (compared to other providers) and the sliding scale for siblings should also be of benefit to you.

We specifically request that places are booked each Monday for the coming week – so that adequate staffing, and refreshments can be provided.

If you have booked a place at Twilight club and then realise that the place is no longer required, please notify us at the earliest opportunity; if 48 hours notice is given the payment can be credited to another session. Unfortunately, if your child does not attend for a pre-booked place, or we receive less than 48 hours notice of cancellation, credit cannot be given.

Twilight Club is open each day from 3.15 – 5.00pm or 6.00pm.

If your child is booked in until 5.00pm and you are late collecting them you will be charged the difference between the 5.00 & 6.00pm rate. If you are late collecting a child booked in until 6.00pm, further charges will be incurred to cover our costs.

Children attending another after school club are able to go into twilight club afterwards if required – places should be booked in the usual way and the same charges apply, as above.

The Twilight room telephone number is 07486670934

Please use this number if you are calling about anything to do with Twilight Club after 3.15pm. (Before 3.15pm please phone the school number: 01395 568300)

All children booked in to Twilight will be provided with a drink (water or juice) and a small snack (biscuits or fruit).

Children booked in to 6.00pm have the option to receive a light tea provided by our canteen – sandwich/yoghurt/fruit – at a cost of £2 per child and these should be booked and paid for on a Monday along with actual twilight sessions.

Whilst at Twilight Club children will have the opportunity to do any homework, reading and play games. When the weather is fine they may also be able to play on the school field or playground when sports clubs are not taking place.

Breakfast Club - Opens at 8.00am each school morning, it is held in the Twilight Room, and is aimed at helping working parents get to work on time! It costs £3.00 per child per morning and this includes breakfast. Children will remain in the care of the member of staff on Breakfast Club duty until 8.40am, (i.e School gates official opening time), after which they will be able to go to their cloakrooms and classrooms ready for the start of the day. If you need to contact the school during Breakfast Club opening times please use the Twilight number - **07486670934**.

If you have any queries regarding Breakfast or Twilight Clubs please speak to a member of the School Office staff.
