PTFA £10,000 FUND RAISING CHALLENGE UPDATE

We're over half way to meeting our £10,000 target with loads more fund raising events planned.

PARENT TEACHER 10KM RUN

23 parents, teachers and grandparents are training hard for the 10km run in Sidmouth on the morning of Saturday 24th March. Are you able to help out as a volunteer at the event or would you be willing to sponsor these crazy people? Please get in touch with emma.finchh@ymail.com to volunteer a few hours of your time. Sponsorship can either be made via the Newton Popleford School Association Just Giving page or via a PTFA member in the playground after school. Come and support them on the day...the run starts at 9.30am outside the Sailing Club on the Esplanade in Sidmouth. Runners are likely to reach the finish line between 10.15am and 11am. Refreshments will be available.

YEAR 6 EXMOOR CHALLENGE

Sponsorship forms will come home with those children registered to take part next week.

CHILDREN'S SPONSORED ACTIVITIES

Our aim is to get all the children involved in a sponsorship activity between now and the end of the school year. There will be a number of events for the children to choose from, including a 24 hour reading challenge, a 'dance'athon and a running challenge. Forms will come home on Monday so please talk to your child about which sponsorship challenge they would like to take part in.
