LATE MAY 2016

PARKING OUTSIDE SCHOOL AND IN THE FREE CAR PARK

Thank you to all the parents and carers of children in this school who park carefully and with due consideration for our neighbouring residents. However, there have been a couple of instances during this school year when cars have been parked on double yellow lines or have blocked local residents or school visitors. We have been informed that Parking Enforcement Officers will be patrolling the roads around our school in the next week.

Next Friday is an INSET Day when the school will be closed to children. Therefore the last day of this Half term is Thursday, 26th May. School finishes at the usual time of 3.15. Children return to school on Monday, 6th June.

We are aware that there are a few cases of Scarlet Fever in school. Scarlet Fever is contagious. If you suspect your child may have Scarlet Fever please consult your GP to obtain antibiotics. Further details may be found on the NHS Choices page at: www.nhs.uk/conditions/Scarlet-fever.
