Parents have shown commendable care and consideration about parking in School Lane. The overwhelming majority of parents avoid parking on the double yellow lines in an effort to prevent any more serious accidents. However, we have received a letter from the Parish Council concerning parking in the car park across from the school.

**Please could you make sure you do not park in the hatched areas outside the garages in the car park, particularly at the start and end of the school day.**

Some parents are parking in Glebelands and Lower Farthings without obstructing driveways and other parents who live in the village are walking with their children to school. Parents can park in the Recreation Ground car park or by Otter Reach and walk in to school.

**Individual Photo orders are being sent by the school to Tempest, our photography company on Monday Afternoon at 3.30pm.**

# RECENT MOMENTS

Year 1 have been preparing for their class assembly next Wednesday 12th at 9.15am—we look forward to seeing you there! In a far field session they took lots of straw and made houses for The Three Little Pigs, in groups. Great fun was had by all—pretending to be the wolf to see if they could huff & puff & blow the houses down!

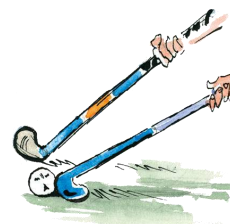

In Clubs activities, Art Club have been making sewing rosettes and STEAM Club have been producing jams and apple sauce from the fruit of far field.

Fruit stall has started in year 6 again. Every day, year 6 children provide fruit for KS2 children to buy on the playground. The profits are put together for an end of the school year outing. Year 6 has also been learning about light in their science lessons this term. We are investigating a crime by using our knowledge about light. We have been making periscopes and have found out that sometimes our eyes play tricks on us.
