

## Newton Poppleford School

In an effort to try to limit the volume of letters which come home to you relating to obtaining permission for activities, trips, and events, we thought it beneficial to have a 'generic' consent form.

The list below covers all of the local trips or activities this is likely to encompass. Please tick each row to indicate your consent. Please sign and date at the bottom of the list and return it to the school office as soon as possible. If you wish to update your consent at any point, this form can be found on the school website. (From the home page select 'Parents/forms and letters').

Please note that if you have more than one child in school we will require signed consent forms for **each** child.
