The Last Post

This is the last Poppleford Post to go out to parents by Parent Mail. Our website, internal messaging system and school learning platform is run by Eschools. Part of their school's package already includes a Letters Home module. We will be using this in future for school communications such as emails and newsletters.

All Letters home will go to your email account. If you have updated your email address or have never given it to us, then please send us this email address to admin@newton-poppleford.devon.sch.uk.

You can download the Eschools app for both Android and IOS phones Google play or the Apple App Store. A guide and video for the app is available on the Parents Page on our website.

School Dinner Menu

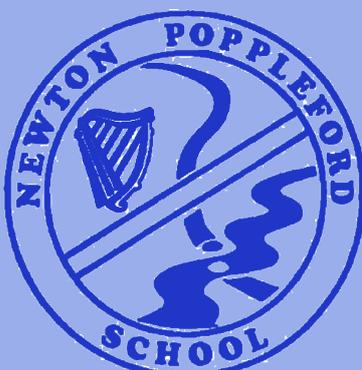

There will be a new School Dinner Menu in operation after the February half term.

Details of the menu's content will be sent out to your email and be on the website before half term.

In this edition of the
Poppleford Post:

Reminders....

Medicine in school

We are only able to accept **some** prescribed medicines into school. We are not able to administer “over the counter” medicine such as throat sweets, creams or Calpol.

If the medicine is only needed 3 times per day then the medicine would be able to be administered at home before school, after school and at bedtime. Therefore, it would not need to be taken at school.

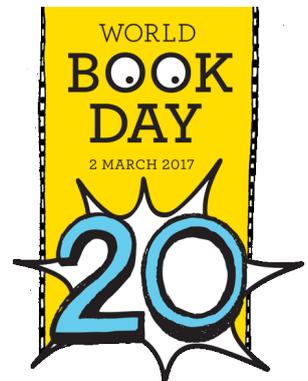

If your child needs doses of prescribed medicine 4 times per day then we are able to administer the lunchtime dose of the medicine at school. These medicines, clearly labelled with the child’s name, must be handed in at the school office before school and collected at the end of the school day. There is a form for parents to complete and sign available at the School Office.

Any “over the counter” medicines can be administered at lunchtime at school by the **parent** in an emergency. We would actively discourage any children bringing in any medicines such as tablets or sweets. There would be a real danger of accident or misuse. We would not accept any responsibility for accidents or misuse on school premises in that situation.

Please contact the School Office if you have any queries.

World Book Day

For World Book Day on Thursday, 2nd March children are being encouraged to dress up in their favourite book character.

Sainsbury’s Active Kids Voucher

There is now a box in the entrance area outside the School Office for Sainsbury’s Active Kids 2017 Vouchers. We would appreciate receiving any that you collect!!

WORD MANIA

Newton Popleford Primary School have signed up with Word Mania.

Some classes have received a login and details about Word Mania. "Played through an app on smartphones or tablets, WordMania sets enterprising children the task of building words from a set number of letters. It has been described as "positive screen time" for students, allowing them to enhance their literacy skills and tap into their sense of creativity. Held as a competition between schools, it can also help to foster a sense of teamwork among pupils as they fight to ensure their school comes top of the leaderboard."
