Christmas Meal

Friday 21st December

Term ends at 1.30pm

NOVEMBER 9 2018 NEWS

As part of next week's anti-bullying week, children are being encouraged to wear odd socks in school on Monday!

CAPUK

Later this term CAP UK will be holding children's workshops in school designed to build children's confidence and self-esteem. However, next Tuesday, 13th November, from 6.00pm to 7.30pm there will be an opportunity for parents to find out about these workshops. Please see the attached poster for more information. If you wish to attend the parents' information evening, please let the School Office know by phone, email or by popping in before Tuesday.

CHILDREN IN NEED

Next Friday, 16th November we will be joining along with the rest of the country in Children In Need day. For a minimum donation of £1, children can dress up in anything spotty! The first Children in Need appeal was in 1980 although the first ever BBC children's appeal was on radio on Christmas Day 1927, which raised over £1,000. Since then over £800 million has been raised.

FROM THE PTFA

OUTSIDE SPACES FUNDRAISING CAMPAIGN

After the huge success of last year's fundraising campaign to provide essential equipment for the new school building, the PTFA have turned the focus of our efforts this year to improving our school's outside spaces. When the builders leave us early next year, the entire school grounds will have been transformed and we have been busy planning to install a wildflower meadow, sensory garden, and an all-weather fitness trail. We are aiming to provide a safe and inspirational environment for all the children to enjoy. Alongside this larger fundraising goal, the PTFA will still subsidise school trips and provide classroom resources to benefit our children's learning experience.

This week's extras can be seen on the website or as attachments to the digital version of School Matters.
