Hi,

My name is Holly and I have recently taken over as Chairperson of Sidmouth Carnival.

We have lots of exciting things planned for this year but are currently on the look out for Carnival Princes, Princess and a Queen or King for our forthcoming carnival on Saturday September 24th.

This year we will be having a float which can be decorated by us for you or you can come and help us to decorate it.

We are looking for children aged 7-12 for princess and princes and children aged 13-16 to be a queen or king. We'd love to hear from you if you have a child in these age brackets who would be interested in being on our carnival float. If you live in Sidmouth, Sidford, Sidbury or Newton Poppleford please get in contact with me on hollynasho803@hotmail.com

Mental Health Awareness Week takes place 9-15 May 2022. The theme this year is loneliness.

Loneliness is affecting more and more of us in the UK and has had a huge impact on our physical and mental health during the pandemic. Our connection to other people and our community is fundamental to protecting our mental health and we need to find better ways of tackling the epidemic of loneliness. We can all play a part in this. So, in May 2022, we will be raising awareness of the impact of loneliness on our mental wellbeing and the practical steps we can take to address it. Reducing loneliness is a major step towards a mentally healthy society. There are lots of ways you can be involved, please have a look at <https://www.mentalhealth.org.uk/campaigns/mental-health-awareness-week>
