the new school

JULY 13 2018 NEWS

FROM THE PTFA

Drum roll please.... The PTFA £10,000 Fundraising Challenge... has raised... a massive...

£19,555

The children have raised a whopping £2,000 from the fun run, danceathon, and readathon, well done kids! We are also delighted to announce a £5,000 pledge from the Norman Family Trust towards staging and lighting for the new school hall. All this, plus the extra fundraising and donations added to the pot, means that we have absolutely smashed the £10,000 target we set just a few short months ago. The support from the parents, teachers, and wider community has been overwhelming. Huge thanks to everyone who has contributed in any way to this spectacular result. We all look forward to seeing the money spent in our new school!

PLEASE VOTE FOR US!

Already thinking ahead to next year's fundraising...

Go to <https://exmouthrotaryclub.co.uk/index.php/kite-festival/kite-festival-vote-for-a-worthy-cause/>

Newton Poppleford School Association (PTFA) are in the third category 'Local Organisations'. It only takes a minute and we need your vote to receive a share of the Exmouth Rotary Club's profits from this year's Kite Festival. Voting closes **THIS SUNDAY**, so please vote now!!

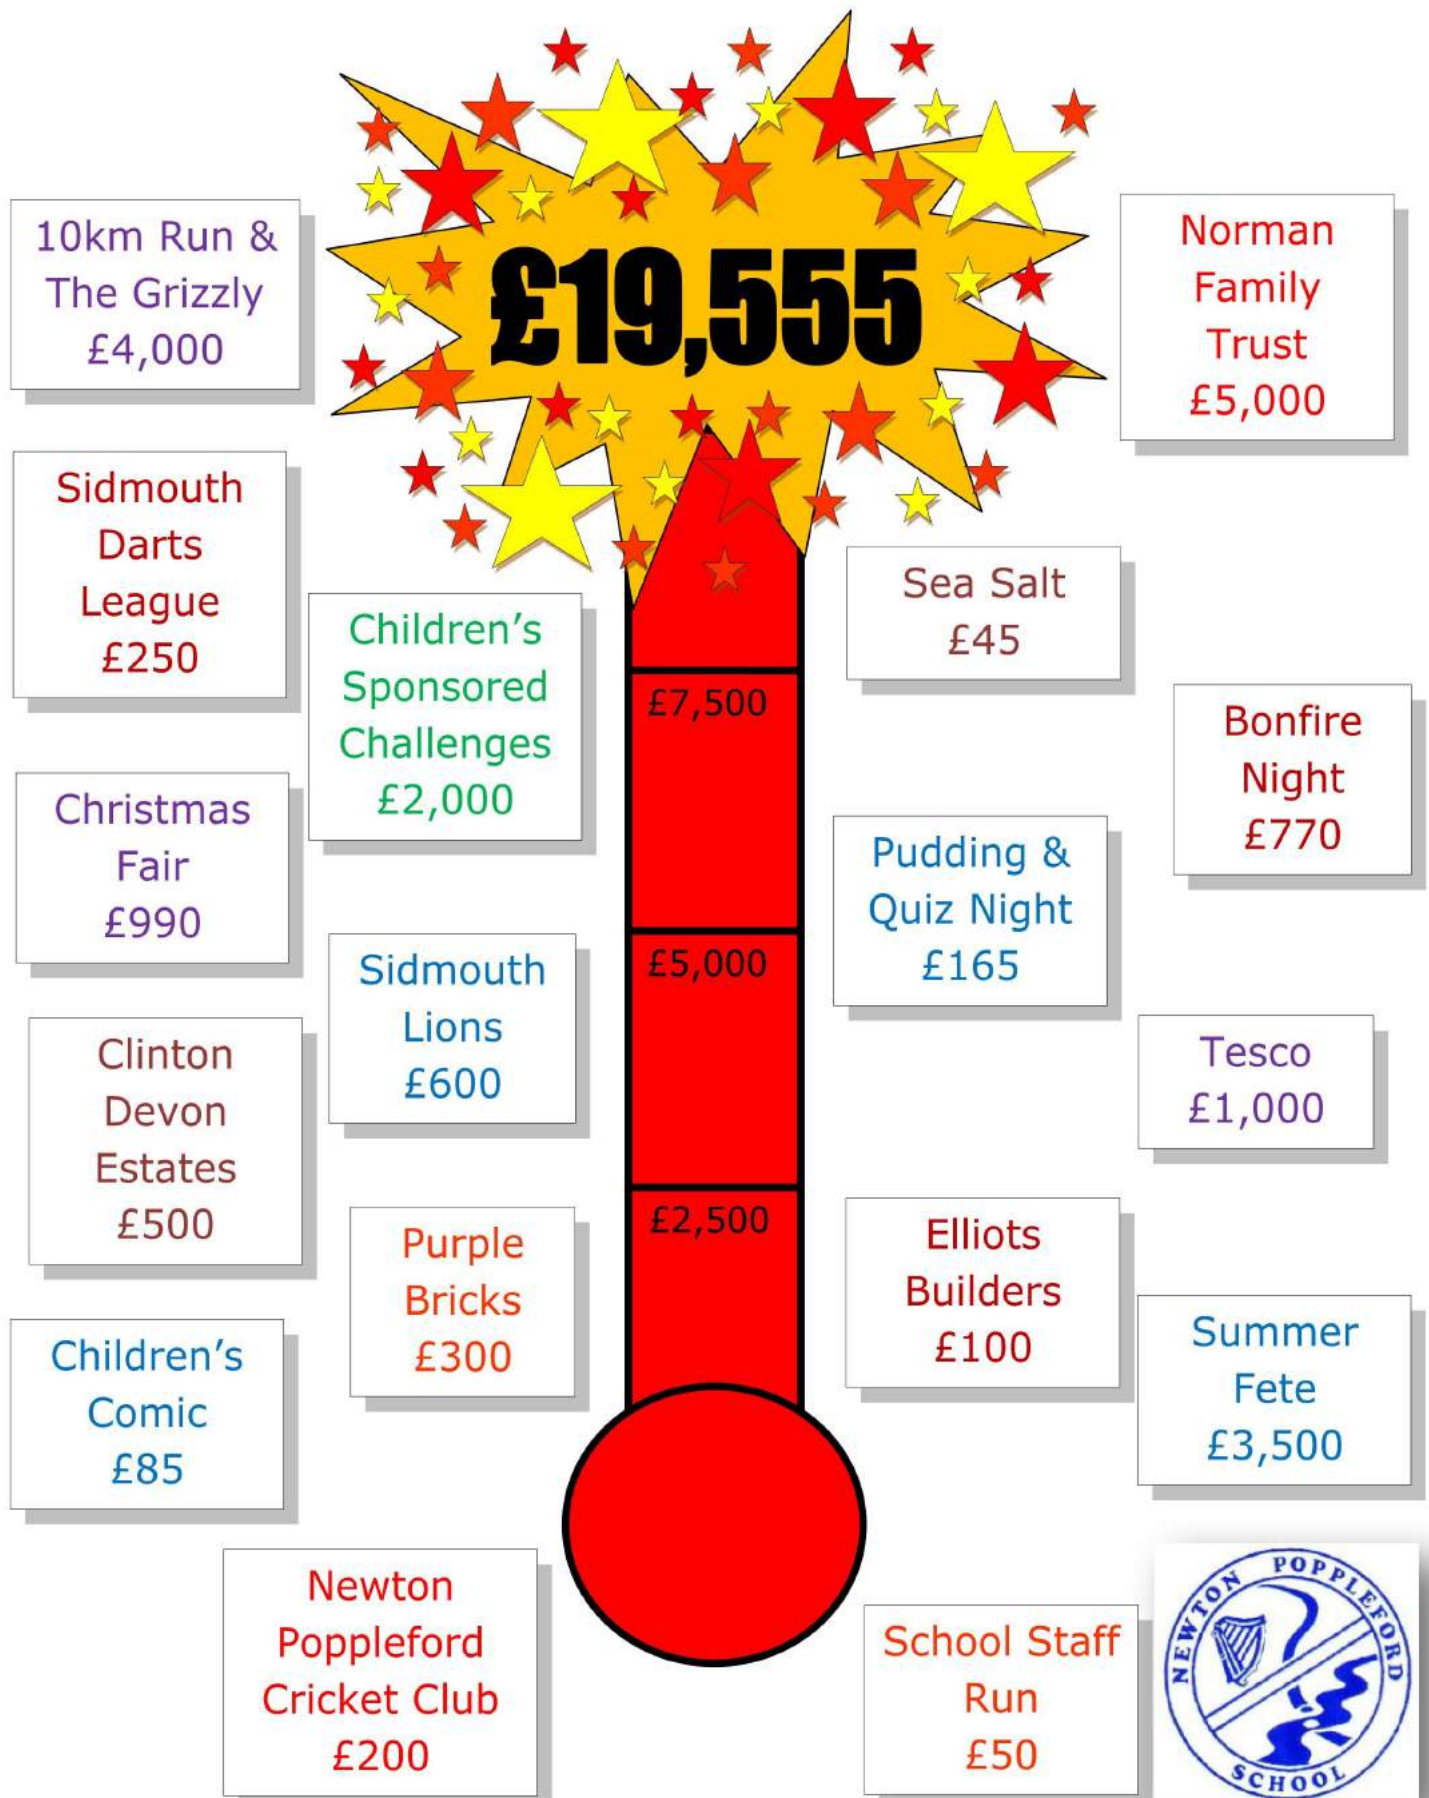

Year 4 have been learning about animals' habitats in Science and were given an exciting opportunity to take part in the *East Devon Kingfisher Award Scheme*, to find out more about farming and its relationship with the animals that live in our local environment.

On Tuesday 22nd May they took part in an afternoon of activities based at Dalditch Farm where they learnt about soil sifters, milk makers and became creature seekers looking at different habitats and the animals and plants that live there. This was then followed up by four weeks of follow up work in class culminating in a fantastic display of their work at the 25th Kingfisher Award Presentation at Bicton Arena. A team from Year 4 presented the class's work and answered questions posed by a team of judges.
