June 28 News

Events seem to be non stop at this time of year and this week has been no exception – 3 amazing sports days – it was lovely to see all the children enjoying taking part and competing from Pre-school to Year 6. The Year 1 class assembly was all about themselves–how they are different and their trip to the bear trail – very muddy it was too! Then the unforgettable Year 5/6 production of 'Pirates of the Curry Bean' – so many talented actors on show. Yesterday, Reception class had a great day out at the Donkey Sanctuary. Then today I've just waved off Year 4 to Woodbury Common and Year 6 going raft building and rock climbing.

Last week I mentioned how we have been reviewing our curriculum. There was information about the 3 planned 'WOW' weeks – please remember to let the office know if you or someone you know could offer help or an activity during one of those weeks. Also next year we will be making changes on Wednesdays using some specific staff skills. On Wednesdays next year, all children in Years 1 – 6 will have the following lessons – P.E., R.E., P.S.H.E, Coding and online safety, Music and French.

As from the beginning of the Autumn Term:-

Westcountry School of Music lessons will be on Tuesday afternoons.

Swimming Lessons for Years 1,3 and 5 will be on Friday afternoons. Exact dates to be confirmed.

The Twilight after school club phone number is 07513269489.
