## Welcome to our weekly School Matters

Dear Parents/Carers,
I hope you have all been able to enjoy the lovely weather this week. Certainly, we have been making the most of it in school. Last week the Government announced that all children will be back in school in September, which is exciting news for all of us. They will be issuing guidance around this in the next week or so. As soon as we have this we will be looking at what this will mean in terms of how school will function. Then we will let you know the details of our arrangements as
 soon as we are able to do so.

We have been looking at how we can open further, but this is limited by both the space we have and in particular the availability of staff at this time. With this in mind, we have decided to invite a limited number of Reception class children into school. The criteria for this are those children who were working towards the expected level in certain areas, back in February. These parents have been contacted already. With these children in school we are now at our full capacity under the current policies that we have to follow.
