October 4 News

Please can all children wear old clothes suitable for art all day on Friday 11th October. On Thursday 17th October at 3:20pm there will be an Art exhibition in the school hall of the children's artwork.

Thank you to all those parents whose children had a school meal this Thursday. This special meal day helps protect our school catering budget against financial difficulties. The take up was 100% in Key Stage 1 and around 75% in Key Stage 2. The next special meal day is in January and we would like to encourage every child to have a school meal on that day!

Crisp packet recycling update! We are collecting a fantastic amount of crisp packets for our recycling scheme. Please can we make you aware of the following. To help us, please add the crisp packets flattened instead of screwed up into the bin outside, it helps us sort through them quicker. Please only put in **crisp packets ONLY** - any brand of crisp packets including multipack packaging. Please **do not** put in popcorn bags, pretzel bags, meat snack bags and biscuit wrappers. Thank you very much for your recycling, let's keep it going!

Sidmouth Science Festival starts this weekend. Every class in the school has created artwork based on the theme of emergency services to go up in an exhibition at Kennaway House, Sidmouth as part of the festival. Please try and visit the exhibition to see your child's work. The exhibition is open from Thursday 10th October to Saturday 12th October at 10am-4pm.

Signing up for the annual **Flu immunisation** is still available at <https://schoolimms.virgincare.co.uk/flu/2019/devon>. If you have any queries, please see the FAQ on the link's webpage or contact the immunisation team on 0300 247 0082. **The closing date for sign-ups is 27th October, 2019.**

#HelloYellow

On Thursday, 10th October we are joining in with many other schools all across the country by wearing yellow for **Hello Yellow Day**. More details are available at youngminds.org.uk.
