OCTOBER 19 2018 NEWS

That's the first half-term, over in our new building, and it was fantastic to see so many parents this morning in the hall for the children's fashion parade. It was an amazing way to finish the topic and I'm sure we will do similar events, now that we have the space.

I am told by the builders that after half-term we will be switching entrances, to be coming across the bridge at the other end of the school. So please look out for the new entrance, of course, assuming everything goes to plan.

I hope you all have a lovely half-term and look forward to seeing you all on **Tuesday 30th October**.

SIDMOUTH SCIENCE FESTIVAL

Year 3's Hexagon display at Kennaway House won the public vote at the recent Sidmouth Science Festival.

Guy competition: Children have brought home a paper plate to design the face for this year's Guy, please return their entry to the PTFA box outside the school office with the 50p entrance fee taped to the back, along with their name and class details. Winners will be picked by an independent judge on Wednesday 31st, so entries must be returned on Tuesday or Wednesday after half term! The winner will see their face on the Guy that sits on the bonfire, and will also get to start the fireworks display! Happy designing!
