## October 17 News

As you are probably aware we had a serious problem with our email system on Monday. This stopped us sending out any emails from our school account until the matter was dealt with. Everything now appears to be working as we would expect. Parents of children in Years R to 6 were able to receive any alert through our E-Schools Letters Home, a separate system. We would like to apologise to anybody who was inconvenienced by our problems. If you are worried about any repercussions then the most important piece of advice we received was to change any relevant passwords!

On Wednesday, 6th November there will be SEN consultation meetings with parents. Booking for this opens on Monday 28th October. These meetings will be an opportunity to follow up any queries raised during the previous week's parent teacher consultations as well as a chance for parents, if they wish, to discuss their child's 'SEN My Plans'.

Congratulations to Year 2 children who were one of three classes to win a book prize at the recent Art exhibition in Kennaway House, Sidmouth.

Please could parents refrain from opening the locked gates to let themselves into the school and come to the School Office instead.

Some parents are once again parking on the double yellow lines thereby endangering the lives of some of our children.

Thank you to Mrs Murphy for her help in creating the nature garden for Early Years.

Thank you to Mr Cuffley for providing the school with our wooden slices for our WOW art week.

The Photographer will be taking individual photos for each class on Thursday, 7th November and Friday, 8th November.

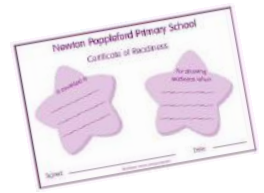

Year 5 are on the lookout for suitable board games for wet playtimes.
