Assessment is an integral part of teaching and lies at the heart of promoting children's learning. It can provide a framework within which educational objectives may be set and pupil progress charted and expressed. It forms the basis for planning the next educational steps in response to the child's needs.

The implementation of this policy is the responsibility of all staff.

1. Nature and Purpose of Assessment

- 1.1 Assessment has three main functions:
 - To help in planning work by informing the teacher about what a child can already do; i.e. What he/she has attained. (formative assessment)
 - To inform teachers, schools and parents about what a child has so far learned to do by the end of a particular stage. (summative assessment)
 - To facilitate realistic target setting.
- 1.2 The majority of teacher assessment will be formative and for that reason must be an ongoing activity in all classrooms.
- 1.3 It should help teachers to:
 - plan work matched to children's attainment level
 - identify where specific help is required
 - help children progress

2. Entitlement

- 2.1 Teachers of children in Year 6 and Year 2 will be responsible for adhering to the statutory assessment requirements as outlined by the DfE

 - Assessment at the end of Early Years in line with the current curriculum.

- 5.2 As a staff our aim is to achieve continuity and progression in each child's learning; the achievement of this aim is founded on the quality of the records which we keep and the use to which they are put by the teacher in planning future learning.

5.3 All teachers will maintain progress records in numeracy and literacy using FFT Aspire Pupil Tracker at least half-termly.

Parents will be provided with a written slip that contains an update on attainment, attendance and progress in this meeting.
- 7.3 The second will be at a parent meeting and will take place on a date towards the end of the Spring term. - 8.2 By commenting clearly and perceptively on the child's progress, and by the inclusion of targets for future learning the report can help parents, pupils and receiving teachers to see how progress can be best made.
