## FRIDAY 12TH FEBRUARY 2021

Who says you can't do collaborative learning remotely?! In Year 1, we worked together in our Google Classroom Stream to write a class list poem this week! On our Wellbeing Wednesday, we had fun making and flying kites and used this as inspiration for our poem - we hope you like it!

### Kites - By Year 1

A blustery morning

I saw it

A kite!

It went swooshing and whooshing as it took flight

It twirled and swirled high into the sky

And then crash landed in a tree up high

Set free from the tree, it dances with glee

The kite flies like a bird and slithers like a  !

Dancing in the sky like pretty birds

Flying gracefully like an alicorn

Before it crashed to the ground with a zoom and a thwack!

But then up it glides like a parrot, streamers flying

Up it swirls, up it goes, into the sky, flying high

Fluttering like a butterfly

It was a shiny Kite

A colourful flying bird

The kite was dancing with the clouds in the sky

I watched as the kite dipped and dived through the clouds

Dancing around in the sky so high.
